NORMAL WEAR

It should be remembered that the service life of any genset is dependent on the care it receives and the conditions under which it has to operate. Some applications are very dusty or dirty, which can cause excessive wear. Such wear, when caused by dirt, dust or other abrasive material that has entered the genset because of improper maintenance, is not covered by warranty.

NOTE: Some states and provinces do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

IN NO EVENT IS ONAN LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. NOTE: Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights that may vary from state to state or province.

No person is authorized to give any other warranties or to assume any other liabilities on CPG's behalf, unless made or assumed in writing by an officer of CPG, and no person is authorized to give any warranties or assume any other liability on behalf of seller unless made or assumed in writing by seller.
